**Notice of approval:** The North Carolina's Coastal Management Program (NCCMP) has received approval of its request to the National Oceanic and Atmospheric Administration, Office of Ocean and Coastal Resource Management (OCRM), to

1. Replace/rescind the previously OCRM approved: **1991 Pender County LUP** (1/21/99), and the **Town of Atkinson LUP** (1/21/99), and the **Town of Burgaw LUP** (4/30/99); and,
2. Replace them with the **2005 Pender County LUP**, certified by the CRC on June 23, 2006. The County plan includes the Town of Atkinson and the Town of Burgaw. This LUP updates local land use policy that will be used for federal consistency determinations.
